

Gun Violence Prevention Panel

Join us for a gun violence prevention panel and learn how you can be part of the solution!

For teens and parents:

"Stop Handgun Violence" will discuss their initiatives and student led action.

"Moms Demand Action" will present their programs "Be Smart" to reduce suicides & unintentional shootings, and "Keeping Schools Safe" a plan to end gun violence in schools.

For teens: Learn how you can become involved in gun violence prevention advocacy from "March for Our Lives" student leaders.
